Always an Option:
Clinical Trials

 **FREE**
ZOOM WEBINAR

Brian Rini, M.D.

Vanderbilt University Medical Center

Elizabeth Plimack, M.D., M.S.

Fox Chase Cancer Center

Join us to learn the basics of the clinical trial process and why trial participation can make sense anywhere along your treatment journey. Consents, endpoints, patient rights, and how trial participation affects your clinical care are all part of this discussion with two leading clinical investigators.

Tuesday, July 19th

6:00-7:00 pm ET

Online via Zoom
